### SUSTAINABLE HOME OWNERSHIP PROGRAM (SHOP Home Mortgage<sup>TM</sup>)

- In partnership with Dayton's Bluff Neighborhood Services, GMHC created SHOP Home Mortgage<sup>TM</sup>. SHOP's proprietary product is the Bridge to Success Contract-for-Deed program, an innovative and flexible credit facility funded by public and socially responsible investors that offers prudent, affordable credit to borrowers no longer served by mainstream credit markets. SHOP is for people who have the financial capacity to purchase a home but who have been unable to qualify for bank financing due to poor credit history, bankruptcy, foreclosure, or not understand the financial process. The program allows buyers who have addressed their credit issues to purchase a home now and supports them through a personal financial plan, individual counseling, and home buyer education. The goal for these buyers is to restore their credit and improve their financial habits so that they Contract-for-Deed can be refinanced into a FHA or conventional fixed-rate loan product within ten years.
- Extensive outreach with community and faith-based organizations and financial institutions helps us reach and educate families who can benefit from SHOP. SHOP as a nonprofit mortgage broker is able to produce the *Bridge-to-Success* Contract-for-Deed program as well as market rate financial products.
- SHOP works with neighborhood groups, financial institutions, community and faith based organizations, and the cities of Minneapolis and St. Paul. These collaborations are two-way streets. City departments refer people to us for early foreclosure intervention, mortgage needs, or the Bridge-to-Success Contractfor-Deed program. SHOP refers all first-time homebuyers to the Home Ownership Center's 9-hour home buyer training class and all Contract-for-Deed homebuyers are assigned to one of our seven nonprofit counseling agencies for budget and financial coaching.
