PROGRAM GUIDELINES

(NOKOMIS EAST: Phase II Home Improvement Programs)

Program Overview: The Nokomis East Neighborhood Association (NENA) is making available Phase II NRP dollars that have been designated for home improvements in the Nokomis East neighborhoods (Keewaydin, Minnehaha, Morris Park, and Wenonah). The intent of the NENA/NRP Loan Program is to encourage investment in the Nokomis East neighborhoods, and to maintain and improve the housing stock. It is also designed to assist low income homeowners to make emergency repairs, fix code violations and address home repairs before they significantly de-value the home or become much more serious problems. Other sources of funds are also available, such as MHFA, which may be used when needed to supplement a NENA loan or are deemed the most suitable by GMHC for an individual applicant.

The Nokomis East Home Improvement Program has two components;

- Low-interest home improvement revolving loan pool
- Emergency repair deferred loan pool

Terms of the Revolving Loan Program

1. **Loan Pool:** \$310,179.75
2. **Interest Rate:** The interest rates charged on the loan will be based on the household's gross annual projected income. Interest rates are subject to change. NENA will notify GMHC of any interest rate changes in writing.

<u>Loan Interest Rate</u>	<u>Total Annual Projected Income</u>
3% interest	More than 150% AMI
2% interest	Equal to or less than 150% AMI

3. **Loan Amount:** Minimum loan size of \$2,000 and maximum of \$15,000.
4. **Total Project Cost:** It is the borrower's responsibility to obtain the amount of funds necessary to finance the entire cost of the work. In the event the final cost exceeds the original loan amount, the borrower is responsible to provide proof of having funds to pay for the remaining portion.
5. **Loan term:** Generally one year per thousand dollars borrowed up to a maximum of ten (10) years.
6. **Eligible Properties:** Properties with up to 4 dwelling units located within the boundaries of the Nokomis East community. Condos and townhomes are eligible.

7. **Ineligible Properties:** Include dwellings that are more than 4 units (these would be considered apartment and hence commercial properties), condos that are “condo-hotels”, co-ops, manufactured homes, time shares, and properties used for commercial purposes.
8. **Eligible Borrowers:** May include owners of 1-4 unit properties within the Nokomis East Neighborhood who meet the program guideline criteria.
9. **Ineligible Borrowers:** Include but are not limited to: non-occupant co-borrowers, properties held in the name of a trust.
10. **Ownership / Occupancy:** Owner-occupied and absentee owners are eligible. Contracts-for-deed are evaluated on a case by case basis by the NENA.
11. **Loan - to - Value Ratio:** The ratio of all loans secured by the property, including the new NENA loan, must not exceed 110% of the property value as established by current property tax statement, real estate market assessment or a certified real estate appraisal within the last 12 months.
12. **Income Limit:** There is no maximum income limit for the program.
13. **Debt- to-Income Ratio:** Applicants must have the ability to repay the loan. Applicants who have a debt to income ratio in excess of 50% will be denied loan financing. Debt obligations include, but are not limited to; mortgage payments, property tax, insurance escrow payments, student loans, personal or auto loans, credit card payments, revolving debt payments and the new NENA loan.
14. **Underwriting / Credit Requirements:** Applicants must have acceptable credit history. Recipients generally may not have more than three “90 day lates” for all accounts in the past 12 months (without reasonable explanation), or have had a bankruptcy in the last two years. Borrowers must be current on housing payments and property tax payments. GMHC will approve or deny loans based on a credit report, income verification and other criteria as outlined above.
15. **Multiple Loans per Property:** Multiple NENA loans per property are eligible as long as any previous loans have been fully repaid or are current on payments.
16. **Multiple Loans per Borrower:** Previous recipients of NENA Revolving loans are eligible to apply as long as the cumulative original balance of all NENA loans is not greater than the maximum amount of \$15,000, and any previous loan(s) have been paid in full or are current on payments.
17. **Eligible Improvements:** For purposes of the revolving loan program, eligible improvements will be those improvements eligible through the MHFA Fix-up fund program as stated in the MHFA Procedural Manual. Repairs of any City of Minneapolis written code violations are also eligible.

18. **Ineligible Improvements:** Work initiated prior to the loan being approved and closed. No recreation or luxury projects (pools, lawn sprinkler systems, playground equipment, saunas, whirlpools, etc.), furniture, skylights, non-permanent (built-in) appliances. Funds for working capital, debt service or refinancing existing debts are NOT allowed. GMHC will refer to the NENA whenever eligibility of an improvement project is questionable.
19. **Bidding:** Except when labor is provided by the borrower, the borrower must provide a minimum of 1 bid for each improvement project under \$5,000 and 2 bids for each project more than \$5,000. All contractors contracting for work must be properly licensed. Permits must be obtained when required by City ordinance.
20. **Sweat Equity:** Work can be performed on a “sweat equity” basis. Loan funds cannot be used to compensate for labor even if the owner is a licensed contractor, only for materials. Loan funds cannot be used for the purchase or rental of tools or equipment, only for materials. GMHC must determine that the owner has the ability to complete the work within the program time requirement. Materials must be purchased and installed prior to the disbursement of the loan proceeds. When applicable, a signed City Inspections Department permit must be obtained by the borrower.
21. **Property Inspection:** Not required
22. **Post Installation Inspection:** Properties are subject to a post installation inspection by GMHC. Where a permit is required, the work must be signed-off by a City inspector prior to release of funds.
23. **Work Completion:** Weather permitting all work must be completed within 120 days of loan closing. Extensions may be granted by GMHC.
24. **Loan Security:** All NRP loans will be secured with a mortgage in favor of the City of Minneapolis.

Subordination Disclosure

City of Minneapolis

105 5th Avenue South, Suite 200
Minneapolis, MN 55401

You are receiving or have received a loan from the City of Minneapolis. This loan is being closed in the name of the City of Minneapolis (City). If at some future date, you choose to obtain a new first mortgage or other financing that uses your home as security, there are some facts you should know about your City loan that may guide your decision.

The first fact you should know is that most, if not all, lenders will want their new mortgage to have as high a lien position as possible. If your new financing is a refinance of your current first mortgage, when your first mortgage is paid off, the City's loan along with any other financing automatically moves up in lien position and the new mortgage takes the lowest lien position on the title of your property. The only way for your new mortgage lender to obtain a first lien position is to either pay off the City's lien or request and obtain the City's approval to have its loan subordinated. Subordinated means that the City signs an agreement that says it will let its lien move to a lower lien position behind the new mortgage, which allows your new mortgage to move to a higher lien position.

The City will consider each subordination request subject to the *CITY'S SUBORDINATION POLICY* in effect at the time of the request.

The City will not consider a subordination request if any of the following conditions exist:

- ◆ New financing is an open-ended line-of credit
- ◆ Violation of Owner Occupancy requirement

All loan subordinations should be approved by the City prior to the closing of the new financing. The City reserves the right to refuse any subordination request that does not meet the *CITY'S SUBORDINATION POLICY* in effect at the time of the request, or if the request is determined to not be in the City's best interest.

There is a processing/review fee charged for each subordination request.
