Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S. SUBORDINATION DISCLOSURE

You are receiving or have received a loan from the City of Minnetonka that is in a subordinate lien position. If at some future date, you choose to obtain a new first mortgage or other financing that uses your home as security, there are some facts you should know about your City of Minnetonka loan that may guide your decision.

Most lenders will want their new mortgage to have as high a lien position as possible. If your new financing is a refinance of your current first mortgage, when your first mortgage is paid off, the City of Minnetonka's loan and any other financing you have against your home automatically moves up in lien position. The new mortgage then takes the lowest lien position on the title of your property. The only way for your new mortgage lender to obtain a first lien position is to either pay off the City of Minnetonka's lien or to request and obtain the City of Minnetonka's approval to have its loan subordinated. Subordination means that the City of Minnetonka signs an agreement that says it will let its lien move to a lower lien position behind the new mortgage. This allows your new mortgage to move to a higher lien position.

The City of Minnetonka *will consider* a subordination request subject to the city's subordination guidelines in effect at the time of the request. These guidelines may change without prior notice.

All loan subordinations must be approved by the City of Minnetonka prior to closing on the new financing. The City of Minnetonka reserves the right to refuse any subordination request that does not meet the City of Minnetonka's subordination guidelines in effect at the time of the request or if the request is determined to be not in the City of Minnetonka's best interest.
