Minneapolis Community Fix Up Loan

The Greater Metropolitan Housing Corporation (GMHC) is offering the Minneapolis Community Fix up Loan, a Minnesota Housing product, with a discounted interest rate of 2% in select neighborhoods in the City of Minneapolis. The maximum gross household income to qualify for this loan program is \$98,700. The minimum loan is \$2,000 – maximum loan \$20,000.

Fix up Loan Guidelines

- Owner-occupied homes located within the Minneapolis Neighborhoods listed below.
- Homes placed in a trust are not eligible.
- Single-family homes, condominiums and townhomes are eligible.
- Hire a contractor or do it yourself.
- Funding cannot be provided for work completed/materials purchased more than 120 days immediately preceding the loan closing, or for work and/or material purchases that cannot be documented. Loan closings are conducted at the HousingResource Center office.
- Minnesota Housing reserves the right to change the interest rate without notice.

How to Apply

1. Decide on your project, such as roof replacement, siding, new windows, furnace replacement, kitchen remodel, an addition or other project.
2. Complete and sign the Fix up Loan Credit Application.
3. Submit all required documentation with the application (see reverse side for a list of required documents) to the appropriate HousingResource Center (HRC). Addresses are listed below.
4. The HousingResource Center staff will complete the loan process and notify you of your eligibility (see reverse side for credit underwriting standards).
5. Upon notice of your eligibility an HRC construction manager will schedule an inspection of the property to identify health, safety, and any outstanding code violations and/or required Truth-in-Housing repairs that have been issued by the City of Minneapolis. The construction manager will prepare a list detailing needed repairs based on this inspection which must be included in the Scope of Work. If a homeowner is unwilling to include the required repairs in their Scope of Work, they will not be eligible for the discounted 2% interest rate. They may obtain a regular Fix up Loan at the current interest rate.

- a Return Transcript**, which includes most of the line items of a tax return as filed with the IRS. A tax return transcript does not reflect changes made to the account after the return is processed. Transcripts are only available for the following returns: Form 1040 series, Form 1065, Form 1120, Form 1120-A, Form 1120-H, Form 1120-L, and Form 1120S.  - b Account Transcript**, which contains information on the financial status of the account, such as payments made on the account, penalty assessments, and adjustments made by you or the IRS after the return was filed. Return information is limited to items such as tax liability and estimated tax payments. Account transcripts are available for most returns. Most requests will be processed within 10 business days
 - c Record of Account**, which provides the most detailed information as it is a combination of the Return Transcript and the Account Transcript. Available for current year and 3 prior tax years. Most requests will be processed within 10 business days
- 7 Verification of Nonfiling**, which is proof from the IRS that you **did not** file a return for the year. Current year requests are only available after June 15th. There are no availability restrictions on prior year requests. Most requests will be processed within 10 business days
- 8 Form W-2, Form 1099 series, Form 1098 series, or Form 5498 series transcript.** The IRS can provide a transcript that includes data from these information returns. State or local information is not included with the Form W-2 information. The IRS may be able to provide this transcript information for up to 10 years. Information for the current year is generally not available until the year after it is filed with the IRS. For example, W-2 information for 2011, filed in 2012, will likely not be available from the IRS until 2013. If you need W-2 information for retirement purposes, you should contact the Social Security Administration at 1-800-772-1213. Most requests will be processed within 10 business days

Caution: If you need a copy of Form W-2 or Form 1099, you should first contact the payer. To get a copy of the Form W-2 or Form 1099 filed with your return, you must use Form 4506 and request a copy of your return, which includes all attachments.
